

The we spoke to the second member of the band and this is Gerry. "Yer i am loving this life and its so good working with Leon i mean we both work well with each other and get on like best friends. I have got here because i work very hard in my music lessons at school i wanst the best at school but it shows if you work then you will get what you want like i have done". We asked both the guys if how they have got to where they are today and they both said that hard work and their love for music has got them to where they are today, they just love their music and they just cant wait to get there music out on the shelves and getting it sold. They are both going to carry on working towards getting to the top of the charts and getting world reacords for their music going right to the top and staying their.

Nearly done now lads.

What inspiers you two to do as much you have. "We just love our music and this is what we both get up for in the mornings, once we have got we are looking forward to helping out children in our local area becaues we want to help the local community because this is also what got us to where we are today if it wasnt for people in our community then we would never have got to where we are today and we have lots of people in our local community for where we have got and if we didnt have them we wouldnt be where we are now so again we would like to thank our familys friends and other people that have help us along our way.

Both the guys we asked them if they had anything else that they wanted to say to us.

Gerry said "I would like to say to all of our fans to buy our albums and singles please and then we will be able to thank you for buying are albums".

Leon said "I hope to see you all when we are on tour and you will be so happy with our new album you wont be able to wait until the summer to come and see us on our tour you will want to see us as soon as you hear us".

We would like to thank the guys for letting us interview them and we at NoteS hope that you buy there albums and loike what we found out about them.
