Dear David

CONSULTATION ON PROPOSAL TO CHANGE ACADEMY STATUS

As Member of Parliament for Congleton, I write to confirm my unreserved support for Congleton High School's interest in converting to Academy status.

I have greatly enjoyed visiting Congleton High School, meeting with staff and most recently attending their Sixth Form Awards Evening. I have been most impressed at the innovative approach of those leading the school and at the high standards already being attained academically and in many other areas.

Congleton High School therefore has, in my view, real potential to go from strength to strength in many different ways.

I am most pleased to support the school's consideration of Academy status, which I believe will further facilitate Congleton High School's aspirations for even greater excellence and success in the future.

Yours sincerely
